Recommendations...

"It is a tremendous honor to highly recommend the ministry of Janet MacArthur and 'GNFN' to you. It had been my heart to spark vision within the congregation for missions. Janet did much more than I ever anticipated — her heart was open to be used by God to minister to the needs of those present. Janet was successful in raising our awareness for the nations. Her message stirred deeper commitment in those in attendance. She has a genuine heart for the nations and for all people. Janet speaks from much experience ... is very knowledgeable about many countries, customs, and of concerns of those wishing to participate in missions. We plan to have her back many more times."

Pastor Lowell J. Morton, River of Life International, Lorain, Ohio

"Janet has a very unique ability and gift that enables the body of Christ to see beyond their own local needs and grasp a vision for the nations. As a result, congregations become more involved in evangelism on local and foreign levels. Their heart for the lost leads to conversions and church growth. Janet's ministry reflects the heart of the Father and the compassion of Jesus — she is a 'mother of missions.'"
