...a sun worshipper sits on the beach, staring into the rising sun until he eventually goes blind..

WHY? Because they sincerely seek forgiveness of sins. And because they are part of nearly 3 billion people living in the 10/40 window today who are waiting to hear the Gospel.

Gospel for Asia excerpt

To The Nations/Mexico

To The Nations Mission Training was held Feb 17-19. It was very successful.. The students lives were changed!!

A team of four left for Mexico following the training. We worked with Gil & Glenda Barnett, ministering in the Red Light District. (5 were saved and 6 filled with the Holy Spirit)

We also ministered in a soup kitchen, several churches, and did a pastor's seminar. The glory fell in the meetings after worship and many were touched by God.

E.g. A 10 year old was healed of asthma, a man who was a pastor's son and was far from the Lord gave his life back to Jesus, many were also emotionally healed.

Our interpreter, Janet, Deborah, Patricia.

MAY 2005

Hello dear friends & family!

Thank you for any prayers you have prayed on my behalf! God is doing a wonderful work through your prayers!

I believe it is a time the bride is getting purified through the fires of refinement. A lot of death-to self going on. It makes us realize how much "self" is still alive and on the throne. Lord help us to develop into the stature of Jesus Christ! Ephesians 4:13 **Give us your heart!**

After 2,000 years of Christianity, how can it be that...

..nearly a billion souls perform rituals and bring sacrifices to more than 330 million deities..

..831 million Muslims prostrate themselves in prayer toward Mecca five times a day...

Mark 16:15 Go ye into all the world, and preach the gospel to every creature.
